1. Attached for your information is a copy of the Mission T/O corrected to March 1953. It is suggested that this T/O be used as an initial point of reference between HQ and [redacted] and that all future T/O correspondence refer specifically to the T/O by date. The slot numbers which do not have a title next to them are the slots which will be eliminated as the incumbents rotate and as of 1 July 1953. They should no longer be considered as part of the [redacted] T/O (Ex. 31-5, 6, 14, 15, etc.). The slot numbers which do have a title but no incumbent (Ex. 31-37, 55, etc.) are authorized slots, presently vacant, and should be filled.

2. In accordance with our efforts to retain those persons who were scheduled for early rotation (Para. 1. OC-1326), [redacted] was reslotted on position 31-32, [redacted] was moved to slot 31-27 and [redacted] in view of his request and subsequent approval for early rotation, was placed on slot 31-29. [redacted] therefore, will depart early in lieu of [redacted]

3. Several other shifts of personnel have left us with vacancies in slots 31-72 and 31-90 which we would like to have filled as soon as possible.
